Hello, I'm

MAYRANNE NASCIMENTO

Frontend Developer

About Me

I'm passionate about technology and design, and I enjoy applying my skills and creativity to solve problems and deliver solutions creating engaging and user-friendly websites and graphics for various clients and projects. I'm proficient in **JavaScript**, **React.js** and **Next.js**, as well as in **user interface design**, **graphic design**, and **web design**. I'm always eager to learn new tools and techniques, and to collaborate with others who share my vision and goals. My aim is to pursue a career in UI/UX and frontend development, and to contribute to the digital transformation and innovation of the world.
